

Calne Without Parish Council

12th July 2021

Agenda Item Z

Wiltshire Council Consultation on Enhancement of Bus Services

Background

Wiltshire Council has been granted an additional £671,000 of revenue support to help improve the provision of local bus services throughout the county, in the following ways:

- to improve current local bus services - for instance increasing evening or weekend frequencies, or supporting additional seasonal services in tourist areas;
- to restore lost bus routes where most needed to ensure people have access to public transport services;
- to support new bus services, or extensions to current services, to access e.g. new housing, employment opportunities, healthcare facilities etc.

On 8th June, Wiltshire Council issued a briefing note seeking suggestions on improvements from city, town and parish councils. The deadline to respond is 14th July 2021. At present, Wiltshire Council are only asking for suggestions for new services or changes/additions to existing services.

Existing Provision

At present, the parish is served by the following routes:
