

CALNE WITHOUT PARISH COUNCIL – APPLICATION FOR FUNDING

PLEASE SUPPLY DETAILS OF THE FOLLOWING INFORMATION WITH YOUR APPLICATION.

Note: if you wish to apply for a grant of £1,000 or less please refer to the document – Calne Without Parish Council – Application for Small Grant Funding.

The purpose of this document is to provide guidance on how to apply for funding to deliver a project which will deliver significant community improvement benefits.

- 1. PROPOSER/APPLICANT:** Sponsor of proposal or application, could be an individual, organisation, councillor, or council as a body.
- 2. SHORT DESCRIPTION OF PROPOSAL SEEKING FUNDING:** Outline of the requirement seeking funding from Parish Council Funds.
- 3. APPLICANT CONTACT DETAILS (if not the council or councillor):** Name, Address, Phone and Email.
- 4. ORGANISATION:** Where an organisation or group is seeking funding, details of that organisation, its purpose and whether or not it is a registered charity. If a charity, provide the charity number.
- 5. VAT:** VAT status of applicant, is VAT recoverable.
- 6. LOCATION OF THE COMMUNITY IMPROVEMENT IDEA:** Where, within the Parish or elsewhere, the Community Improvement Idea will be delivered.
- 7. COMMUNITY IMPROVEMENT IDEA PROPOSAL, INCLUDING OBJECTIVES AND DESIRED OUTCOMES:** Detailed description including start and end dates. This should also address the benefits to be derived from the Community Improvement Idea for the community, including the breadth of residents impacted e.g., does it provide benefit for old/young or all, could it aid and support those with disability challenges; will it aid community health and fitness. The potential legacy from the Community Improvement Idea and any ongoing maintenance implications and the management of these. The Environmental impact and benefits to be derived from the Community Improvement Idea, in particular will it enhance or detract from the rural environment of much of the Parish. How does it contribute to the budgetary and community priorities identified by the Parish Council in its financial plan? Requirements for any planning or other permissions to be sought in advance of Community Improvement Idea initiation.

CALNE WITHOUT PARISH COUNCIL – APPLICATION FOR FUNDING

8. ESTIMATED COMMUNITY IMPROVEMENT IDEA COST: Is there an estimate of the cost for the Community Improvement Idea, including any feasibility work. What is the anticipated cost profile (by year) including on-going maintenance?

NOTES FOR APPLICANTS.

9. ELIGIBILITY

The following are not eligible for funding:

- Support for individuals
- Private organisations operated as a business to make a profit or surplus.
- Community Improvement Ideas that are the prime responsibility of other statutory authorities.
- Community Improvement Ideas that improve or benefit privately owned land or property.
- The activities of political organisations.
- General operational and maintenance costs.
- Repayment of loans or cost of services, equipment, or provisions in anticipation of a grant.
- Organisations that have a closed or restricted membership.
- Retrospectively for events that have already occurred, equipment already purchased, works already started or completed.
- Places of Worship (Please note this may depend on the Community Improvement Idea so contact the Clerk for more information)

HOW THE PARISH COUNCIL WILL EVALUATE YOUR APPLICATION.

10. STRATEGIC PLANNING COMMITTEE

You may be invited to present your Community Improvement Idea to the Strategic Planning Committee. This committee is responsible for reviewing your Community Improvement Idea and producing recommendations to the main council. If your Community Improvement Idea is approved by the main council, a lead councillor will be assigned as the person accountable to the council for the delivery of the project.

The Council will use the scoring matrix shown here to evaluate any applications for funding that are received.

11. APPLICATION FOR FUNDING – MATRIX SCORING CRITERIA

CALNE WITHOUT PARISH COUNCIL – APPLICATION FOR FUNDING

Each criterion will be scored on a basis of 1 to 5, where 1 indicates that the criteria is not fulfilled at all, and 5 suggests that the criteria is exceeded.

Each criterion is also weighted to reflect the importance of each element to the council and its overall priority for the allocation of available resources. The weighting factor is a multiplier – i.e. the score for each criterion will be multiplied by its relevant weighting.

11.1 Application Criteria

Satisfy Application Criteria: Yes or No. Is the request from an organisation or community group from within the Parish? Has the required supporting documentation/evidence been provided e.g., audited accounts or charity number. Failure to satisfy the criteria will result in a rejection of the application; this does not disqualify further applications once the criteria have been met.

11.2 Neighbourhood Plan

Alignment with Neighbourhood Plan: Weight [5] Does the application clearly identify that provision of the funding will aid delivery of a specific Community Improvement Idea/facility/capability or service set out in the Neighbourhood Plan? Does it help deliver community and budgetary priorities identified by the Parish Council? Does the Community Improvement Idea seek to address specific needs arising from development with the community? Is there evidence of community consultation and support for the proposal. Are these points clearly articulated and referenced?

11.3 Community Benefits, Need & Demand

Community Benefits, need and demand: Weight [5] Does the application clearly set out the benefits to the community of pursuing the Community Improvement Idea with the allocation of public funds controlled by the Parish Council? Which residents and how many will potentially benefit from the Community Improvement Idea, what age groups will benefit and how; could it aid and support those with disability and learning challenges; will it aid community health and fitness. Has evidence been provided to clearly identify that there is a public demand for the Community Improvement Idea.

11.4 Environmental Benefits

Environmental Benefits and Impact: Weight [3]. Does the case clearly describe the environment impact and benefits that will derive from the proposed Community Improvement Idea e.g., is the Community Improvement Idea self-sustaining, does it enhance or detract from the rural environment in much of the Parish; positive environmental impact will score highly whereas a detrimental impact will reduce the score.

11.5 Measuring Benefits

Mechanism for measuring Community Improvement Idea benefits: Weight [3]. Has a clear approach been identified for measuring the benefits to be delivered by the Community Improvement Idea.

11.6 Legacy Potential/Impact and Sustainability of benefits.

Legacy Potential/Impact & Sustainability of the benefits: Weight [3] Is there a legacy from the Community Improvement Idea, are these clearly described. Are there any ongoing maintenance and management requirements arising from the Community Improvement Idea? Does the proposal address what these are, how they will be addressed and funded? Of these will it enhance or detract from the rural environment of much of the Parish. How does it contribute to the budgetary and community priorities identified by the Parish Council in its financial plan? Requirements for any planning or other permissions to be sought in advance of Community Improvement Idea initiation.

11.7 Funding / Costs

Funding: Weight [3] The source of funds to include details of additional funding secured or being secured and allocated to the scheme; potential sources of match funding and details of how this is being explored. The level of confidence in the costings provided will be assessed.

11.8 Legislative Requirements

Legislative requirements: Weight [3] Is delivery of the Community Improvement Idea contingent upon securing legislative approval e.g., planning approval. If so, what consultation has taken place and what is the impact on the proposed timetable for the Community Improvement Idea.

11.9 Community Improvement Idea Management

Community Improvement Idea Management: Weight [4] How will delivery of the Community Improvement Idea be managed and is there an adequate Community Improvement Idea and risk management plan

Council use only	
CII Number	

CALNE WITHOUT PARISH COUNCIL – APPLICATION FOR FUNDING FORM
(Please use additional sheets as required)

Proposer/applicant	Stephen Cox Garden Trust	Contact details (address/telephone/email)	84, Studley Lane near Calne SN119NH 
Is the applicant a registered charity? (If so, give number)	1174239	VAT status of applicant (if registered give number)	None

Amount of funding sought this year (£)	£1697	Total amount of funding sought (£1697)	
If ongoing maintenance is required, how will it be funded?	None	If parish council support with ongoing maintenance is requested how much per year?	None
If the total cost is higher than funding requested, how will balance be financed?	Trust is funding some work additional to (£1697) amount being applied for (approx £600 value)	Have you applied for funding for this project from elsewhere? If so from whom and for how much?	No
Detailed description of Community Improvement Idea (attach other sheet(s) as required) – including how the project will be managed (see section 11.9)	<p>(Please also see detailed application document enclosed)</p> <p>Application is to render grounds safe for access by Trust community users (e.g: ●young adults With learning.● Young unemployed, ●infirm and elderly. ●Schools visits. ●mental health issues. ●wildlife audits. ●university students conservation projects. ●offer of opportunities to local students- e.g. conservation/horticulture/skills learning/confidence boosting/communication skills)</p> <p>Briefly this involves removing all turf, levelling the ground, removing all paths and flower bed brick edging, recycling as much as possible of removed turf and, installing new turf after fertilising and preparing ground, reinstalling all paths and flowerbeds and brick edging.</p> <p>The project will be overseen/managed by the Trust. The project will adhere to the Trust's <u>Risk Assessment</u> protocols & Guide.</p>		
Benefits to be delivered by the Community Improvement Idea (attach other sheet(s) as required) (see section 11.3)	<p>As indicated in the detailed attached sheets several community options and resources in our portfolio have been suspended. If successful the Grant would enable these to recommence.</p> <ul style="list-style-type: none"> ●Visits/meetings by university students on conservation/climate change/species assessment. ●Re-commence placements for young adults with learning difficulties + carers (via Wilts Council). ●Re-commence placements for young unemployed ●Start new placements for solo adults with autism & mental health issues. ●Re-commence offer/use of site for students from Derry Hill & Studley. <p>-----</p> <ul style="list-style-type: none"> ●Re-offer opportunities to first time young offenders agency. ●Re-offer opportunities to elderly from nursing homes/retirement etc ●Re-advertise possibilities for schools ●Make offer to other agencies e.g. Building Bridges to help those with problems ●Make offer to Womens' Institutes, bereavement groups, art groups etc. ●Discussions ongoing with the Rev.Linda Carter of Christ Church Derry Hill as to possible occasional event/gathering <p>(some items will depend on available resources of manpower/skilled support-volunteers to help manage)</p>		
Who will measure the delivered benefits and how? (Attach other sheet(s) as required) (see section 11.5)	<p>? I am not sure how this is to be measured.</p> <p>(i) The Trustees will of course make assessment/have oversight via the Quarterly Reports sent to them by the CEO</p> <p>(ii) Some local villagers can be approached to assess/review.</p>		

Legislative requirements – e.g. planning permission. (see section 11.8)	None required	<u>Alignment with Neighbourhood Plan</u> (see section 11.2) <ul style="list-style-type: none"> • 15 documents researched & written by our students and made public. • Student conservation video editors at 6 universities • Delivering organic and sustainable land use. • The Trust is making a video on Neighbourhood Plans for public use. • Other conservation videos 	<ul style="list-style-type: none"> • Trust ethos is aligned with Neighbourhood Plan • Stephen Cox was on Steering Group Calne Communities Neighbourhood Plan creating a Working Party to deliver Environmental Policies. • Working with students from 6 UK universities on conservation/climate change/wildlife/habitats/ species decline (Bath, Bristol, UWE, Oxford, Bath Spa, Southampton). 93 applications received.
Local consultation – have local people been consulted about this proposal? If so how many, how was it done and what were the results. (see sections 11.2 & 11.3)	This is a refurbishment/repair to enable continuation of services not a new structure.		
Sustainability, environmental benefits & impact (see sections 11.4 & 11.6)	<ul style="list-style-type: none"> • <u>Recycle</u> on site as much as possible of removed soil & turf. • <u>On going maintenance</u> of ground provided by Trust. • Trust/Garden offers: a <u>conservation benefit</u>/haven for wildlife from zero (a field) it now has: 23 species of butterfly + night flying moths, several species of bees, dragon flies, wetland & pond-life, bats, frogs, toads, newts, birds, sloe worms, small mammals (shrews/voles/field mice/house mice). Also variety of habitats/homes. Nectar rich planting.) • Linked with <u>Calne Heritage Amenities & Nature Reserve</u> The Trust has pledged a plot of ground of approx 18sq.m to the Reserve. • <u>Species support</u>: The Trust improved the environmental/conservation condition in Studley/Derry Hill especially as a new housing estate was built opposite leading to a dramatic decline of various species (incl. loss of bats, many butterflies, some birds) which thanks to the Trust has show good signs of recovery via its garden.
